Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 20 August 1957

25X1

FROM : Chief, Operations Support Faculty

SUBJECT: Weekly Report No. 34, 13 August - 20 August 1957

1. Mr. Lyman Kirkpatrick is speaking to the students in Operations Support on 29 August from 1330 to 1430 hours.

2. It appears quite probable that Budget and Finance Procedures #5 scheduled for October 7 - 17, must be cancelled due to lack of classroom space in this building. The use of space in another building presents security risks in addition to being impractical. The materials for study and problems, as well as visual aids, require vault space and the transportation of the cash boxes and "money" might possibly alert Brinks. Several changes will also be required in the schedules for the October and November classes in Operations Support and Administrative Procedures because of non-availability of rooms for film showing. It may be necessary to omit some of the films.
